The Bank of America Charitable Foundation's Student Leaders® Program is officially accepting applications for its 2018 Student Leaders® program.

Participation in this program will help students develop their leadership and career skills and to connect with like-minded students. The purpose of Bank of America Student Leaders Program is to recognize exemplary high school juniors and seniors who have a passion for improving their communities.

The program helps students gain a greater understanding of how nonprofits create impact in the community and helps develop them as the next generation of community leaders through two components:

- ☐ A summer eight-week paid internship with a nonprofit organization selected by the bank
- ☐ The week-long, all-expense paid Student Leaders Summit in Washington, D.C. from July 8-13, 2018.

Interested students apply for the program by going to:

[www.bankofamerica.com/studentleaders](http://www.bankofamerica.com/studentleaders). The application period is officially open with a firm deadline of Friday, February 2, 2018.
